

**Center for Environmental Policy & Administration  
Maxwell School of Citizenship and Public Affairs  
Syracuse University**

## **List of Participants**

### **2007 Maxwell Workshop on Organizations & the Natural Environment**

**Theme: Organizations, Networks & the Natural Environment**

**Rosaleen Duffy, Manchester University, UK**

*Global Networks in Conservation: The Politics of Engagement Between Civil Society  
and the World Bank*

**Bruce Evan Goldstein and William H. Butler, Virginia Tech**

*Organizational Change and Learning Networks: The Tension of Learning Networks  
as Strategic Intervention*

**Adam Henry, University of California, Davis**

*Ideology as a Predictor of Organizational Network Cohesion in Collaborative  
Planning Processes*

**Tammy L. Lewis, Muhlenberg College**

*How does Transnational Environmentalism affect Domestic Environmental Coalitions? The  
Effects of Thick Conservation Networks and Thin Pollution Networks on Ecuador's  
Environmental Organizations*

**Susan Lurie, Oregon State University**

*Institutional Dynamics and the Politics of Large-Scale Ecosystem Management Networks: The  
Rise and Collapse of the CALFED Bay-Delta Program*

**Laura Robinson, Conner Bailey, and Mark Dubois, Auburn University**

*Ideologically Structured Information Exchange Among Environmental Groups*

**Elizabeth McCance, McCance Consulting**

*Collaborating to Conserve Biodiversity: The Case of Chicago Wilderness*

**Meredith Welch-Devine, University of Georgia**

*Organizational Networks and the Creation of Natura 2000*

**Peter Wilshusen, Bucknell University**

*Hidden Exchanges Behind Common Property: Informal versus Formal Social Capital in the Community Forests of Quintana Roo, Mexico*

**Steven Wolf, Cornell University**

*Community Governance in Natural Resources Management and Policy: A Co-evolutionary Analysis of Institutional Forms*

**Julia Wondelleck, University of Michigan, Ann Arbor**

*The Distinguishing Characteristics of Natural Resource Networks: A Challenge for Current Theory?*

**Co-Organizers**

**S. R. Brechin, Syracuse University (with Osmany Salas)**

*The Hollow State? Conservation NGO Networks in Belize, CA*

**Charles Benjamin, Williams College**

*Interorganizational Networks and the Policy Process in Mali?*

**Christopher Thoms, Colby College**

*Co-Constructing Community Forests in Nepal: Network Ontology and Mutual Constraint in Trans-national Aid*
